I had been texting this girl I met at a frat party last month. Things were kinda crazy that night and I was lucky to even get her number. I have a feeling a lot of guys got her number that night. Anyway, I saw her on campus last week and managed to get in a short conversation with her on the way to classes. I asked her if she wanted to go see a movie in town on Friday night. I had a car. "Oh, that'd be great. What time?" she asked with fake interest. "I can pick you up about eight." I said rather blandly. She gave me her address on campus; I thanked her and we split at the quad to get to our respective classes.

Friday night came around and I texted her from the street as I waited for her. At first I didn't get a text back and a few minutes later I tried again. She finally texted me and said she'd be down in a few minutes. I had a Jeep and when she came out I opened the door and helped up the tall step. I got a nice view of her long tanned legs and ass when she got into my vehicle, and we headed to a movie. On the ride she mentioned that she hadn't been out on a real date in quite a while. Most of her social life was centered around the dorm and a couple of the frat parties a girlfriend would drag her to.

I told her that I had been at the one a month ago on a dare and I wasn't into that Greek life. We laughed and she seemed to warm up a little more. Inside the theater, we had some touchy-feely fun and by the time the movie was over, the crotch

TEXT TO SEX

of her panties was soaking wet. I had rubbed her pussy from the outside and I think she had at least one silent orgasm as she was sucking on her drink. Unfortunately, she didn't touch me at all, so I had to take what I could get.

However, back in the Jeep, she was a different girl. As we were sitting there, talking about the film, all of a sudden her hands reached over and unzipped my pants, pulled my cock out, and immediately went down on me. It took only a second for me to be in the full upright position and I leaned my seat back, and let her do as she pleased to me. I was watching the parking lot and slowly all the cars disappeared. In between sucks, I told her we might get caught and

she stopped. I left my cock out and she played with it as we drove around looking for a better spot to park. Neither one of us wanted to go back to the campus because we each had roomies and would get no privacy. Besides, I'd risk the chance that she'd lose interest.

We finally found a club that looked open and we found a spot. It was lit up okay, so we parked in a far corner. We pulled in and in no time my cock was back in her mouth. This time she scooted my pants lower and reached in and pulled my balls out, too. She was busy sucking my balls and stroking my cock as my feet pushed hard against the floorboards. Finally, with her mouth working my cock roughly, I splooped in her mouth, and she swallowed every drop.

She leaned back and sat up in her seat. I told her to lower her seat back and as she did, I pulled her skirt up and panties down. I maneuvered myself into the passenger side and pulled her top up and began to suck on her boobs. As I did, I slid a hand down to her pussy to find a few wispy hairs and a soaking wet slit. I put a finger in and she moaned. I put another two in and she moaned harder. The windows had fogged up by now and that was fine because it blocked us from being seen. Slowly I worked my way down her body top her pussy and started licking. I grabbed both her butt cheeks and pulled her hips closer into my mouth. After just a few minutes, she started convulsing with orgasm and I kneaded her butt

I took over, one in each hand and started stroking them. I looked at each one and said they could not cum because the director would have a fit. They nodded and I continued.

cheeks until her body spasms subsided. I kissed her and she licked my lips and chin, tasting herself and what was left of me.

WI crawled back to the driver side and we tried to cool down. I rolled down the windows and slowly the windows cleared up. Driving back to the campus, we didn't say very much. Just a few muffled giggles came out of her and when I asked why she was giggling, she just giggled some more. I dropped her off at the dorm and headed back to mine. As I was parking the Jeep I got a text from her that just had a smiley face. But as I looked a little closer, I saw it had a drop of something in the corner of the mouth. Way cool, I thought.

– Hank, OSU

Bree: Oh yeah, yeah, now I remember. You were interviewing Evan Stone and anyone else that would talk between scenes.

PG: Yes, that was me.

Bree: Now that you say that, I remember. What a wild shoot that was.

PG: Wild, I don't remember it being wild. Refresh me.

Bree: Let me think... It was getting late and I hadn't done my sex scene yet. I did the set up shots in the kitchen but a few hours had passed and I was starting to get horny. The guys were there, too and I could tell they were getting bored.

PG: So...

Bree: We were in an upstairs room with a pool table, some sofas and a bar area in the back. The makeup artists had set up in the bathroom and we had our bags strewn

them lefty and righty. I told them to get closer on the sofa and I pulled my top off. I rubbed my titties for a minute to get my nipples hard and pulled a pillow onto the floor so I could kneel down. They each had their cocks out and were rubbing them to get harder. I took over, one in each hand and started stroking them. I looked at each one and said they could not cum because the director would have a fit. They nodded and I continued.

PG: Now that really sounds like fun. Care to elaborate.

Bree: I'm stroking them and each one has one of my boobs in their hand. Then, one by one, I start to suck on their cocks. I'd suck one and keep stroking the other, then switch off. You don't want to stay too long on one because the other guy will get jealous.

PG: I understand, not a good thing.

Bree: So after a few minutes of this, with the makeup artist and PA (Production Assistant) watching, I got up, took off my bottoms and crawled on the sofa besides righty. I got on my knees on the sofa and leaned down over righty to suck lefty's cock. That made my boobs fall on righty's cock and so as I was blowing lefty, I would rub righty with my boobs. He then started fingering my pussy as I sucked the other guy.

PG: And no one was photographing this scenario?

Bree: No, they were all still downstairs. So I got up after a few minutes and reverse cowgirdled on lefty's cock. I motioned righty to get up and stand in front of me so I could suck him off. We did this for a few minutes and I came. The guys didn't. A moment later, another PA came up and told us they were breaking down the set and would be up in a half hour. We should get ready for our scene.

PG: Did he see you fucking the two guys?

all over the place. The guys were sitting on a sofa watching TV and I was walking around frustrated. I went over and stood in front of them. They looked at me and I told them I didn't want to wait for the crew. Unzip.

PG: And, of course, they did.

Bree: Of course they did! I won't mention their names here, so I'll call

Party Girls: Hi Bree. I don't know if you remember me but we first met a couple years ago on a set while you were doing dishes.

Bree: Doing dishes?

PG: Yes, that was in the name of the movie. We were at a house up Tuna Canyon in the Valley.

Bree: Fortunately we had finished a few minutes before, and after he went back down, I told the others up there not to say anything. The makeup artist pulls her fingers across her lips, zipping them shut. The PA said okay and went downstairs to help with the breakdown.

PG: *What happened next, Bree?*

Bree: I jumped back into the makeup chair and told her that my lipstick was messed up. We laughed and she fixed it up. I went over to the bar area and sat on a stool drinking my soda.

PG: *That's when I came up with the crew from downstairs. I came over to you and asked a couple silly questions and got you to laugh.*

Bree: Okay, if you say so.

PG: *I think I'm embarrassing myself. So tell me more. I saw most of the scene. You were hot and just a sex demon. I remember we finished around eleven that night.*

Bree: Yeah. That wasn't too late for me. When I got back to the hotel, there as a wedding reception winding down, so I went with my girlfriend and we danced a couple last dances there. I think we livened up the party because a lot of guys came out onto the dance floor. But out of respect, we kept it pretty tame. No twerking or grinding. I think some of the younger guys recognized us so we just sat and talked with them for an hour or so and I told them what had happened earlier that night. They sat there with their jaws open. Kinda like you right now.

CLUBBING

I just got back from Hanky's Nightclub and I gotta write this stuff down before I forget it. It's four in the morning so if my spelling is fucked up, I hope you editor's will fix it so I don't sound too dumb.

Okay, so I'm at Hanky's with a couple guys I know. It's a bit of a meat market and the girls are looking for guys to hook up with as much as the guys are. We're at the bar for a while checking out the place. We spot a few girls in the middle of the dance floor grinding on each other. We watch for a while and lose our focus when one of the guys says there's a booth that's opened up. We hustle our way over there and make it just in time before other's do. We motion the waitress over to ask those girls to join us. She does and they do.

They introduce themselves and we do too. Three guys and three girls. In my mind I'm checking out which one I want to pair up with. Maybe the blonde. She's got the biggest boobs and I'm a breast man. They squeeze into the booth and we try to make small talk over the noise. Finally frustrated, the blonde, who was sitting on the end, gets up, walks around the table and grabs my hand and pulls me up. Winner!

She pulls me to the back, towards the rest rooms and finds a unmarked door

and pulls me in. It's a small, dark room with just a love seat against one wall. Nothing else. I don't know if I'm going to get fucked or get robbed. So I assume I'm going to get fucked and I slip my hand under her dress. She was pretty wet when I reached her panties. But no panties.

I sit on the sofa and pull her over and pulled out my stiffie. I positioned myself between her legs and pulled her down to sit on me. I pulled the top of her dress down to expose her firm breasts and lifted her dress around her waist. In the dark, I started sucking each of her nipples until they were rock hard. She was bouncing up and down on my cock as I grabbed her butt cheeks and helped her bounce. I was rubbing her clit, too when she said she wanted me to eat her out. Now that's a term I hadn't heard in a while.

She got off me and leaned back on the sofa, I pushed her dress up and went down. I tongue and finger-fucked her. I sucked her labia and teased her clit until she came several times. She pulled my head up and said she wanted to be fucked now. No problemo, I said and slipped it in. We fucked hard for a half hour, I'm guessing. Mish, doggie, cowgirl, reverse cowgirl. She came many times and we just kept banging. I got her off me and sat her up and stood in front of her. She took my cock in her mouth and started sucking hard. She took all 7 inches deep into her throat and I came almost immediately.

She fixed her clothes and headed out first. I followed a minute later and headed back to the table. The guys and girls all asked if I got any. I smiled, sat down and finished my drink.

— Jerry, Dayton, OH

She is wearing a green one-piece swimsuit with white polka dots. The swimsuit has a halter-style neckline and a high-cut bottom. ISN'T THIS A BYOP PARTY

When I got the invite to stop by, I didn't realize there would be a cock here. Thankfully, I brought my own pussy. I hate to see the cock just hanging out alone. My little soft wet spot will surely get him in the mood. So, cum on in and let's see if we can make some hot sweaty music together.

A promotional image for a video. It features a large, shirtless man with a prominent erection, wearing denim overalls and a brown belt. He is leaning over two women. The woman on the left, Lucy Thai, is wearing a white lace-trimmed skirt and has her back to the camera, looking over her shoulder at the man. The woman on the right, Cytherea, is wearing a dark strapless dress and is looking at the man with an open-mouthed expression. The scene is set in a bedroom with a wooden bed frame and a white pillow. The overall tone is explicit and suggestive.

What do you get when you have a super horny party girl, her super-horny best friend, a dude with a huge hard-on, a lazy afternoon and a video camera. You get the pictures that fill these pages and one helluva hot video you can watch -- for free, no less. So without further ado, here's Lucy, Cytherea, and one big hard cock! Action!

NOEL BROUGHT A
NICE GIFT TONIGHT,
HER TIGHT ASS

THE DAY'S WORK
WAS LONG BUT
THE NIGHT'S PARTY
WAS LONGER

M

SOMETIMES THE BEST SEX PARTY IS JUST THREE OF US

My shift ended later than usual so I got home from work a little late tonight, very tired and just as hungry. I pulled into the garage and came into the house through the kitchen. When I hit the living room, I saw Bridgette, my wife and Noel, her best friend, sitting on the sofa gossiping. They quieted down when they saw me and I told them to just pretend I wasn't there. I went back to the kitchen and got a beer out of the fridge and went back out. I figured this was not a good time to ask what was for dinner, so I just went to the recliner beside the sofa they were sitting on. I sat down, pulled the recliner handle and pushed back until I was forty-five degrees in the chair and staring at the ceiling and quietly sipped my beer. It was starting to give me a little buzz on my empty stomach. As I sat there, I found myself listening Noel and my wife. Both were beautiful women. My wife would glance over at me from time to time and saw I was probably in another world. And I was. Unable to help myself, I closed my eyes and began imagining them sitting on the couch in front of me, naked and kissing each other.

After the music ended, I went over to put another disk in the player. I found a Best of the Moody Blues and it was so mellow in its franticness. I returned to the recliner and glanced over at the two just in time to see Noel scoot forward slightly on the couch as she hiked her skirt up around her hips, and spreading her legs, began rubbing her fingers against the front of her panties. I could see a wet spot forming on the cotton material. Suddenly Noel looked right at me. "Sean, why don't you come over here and join us?"

I slowly got up from my place in the comfy chair and stumbled over to them. Not quite sure of what I heard, I looked back at Bridgette and she smiled and nodded. Apparently she too had her dress pulled up around her waist and her hand was hidden from view beneath her panties. "I see you've been day-dreaming again, Sean," my wife said, pointing at the big bulge pushing against my pants that I had forgotten to adjust when I stood up. I don't know if it was the beer or just the situation I was in, but it felt completely surreal. I plunked my ass down between the two of them. Bridgette reached up with the hand she just had down her panties and trailed her fingers under my nose and across my lips. I could smell her strong, musty scent. Her fingers were wet with her juices and I opened my mouth to suck them in.

As I licked them, I reached over and felt Bridgette's hard nipples through the smooth cloth of her dress. She had both her hands back in her lap and I saw that she had pulled her panties aside and was slipping two fingers deep into her pussy, fondling her clit with her at the same time. She then unbuttoned the

front of her dress exposed her lacy red bra. As I rubbed her hard nipples through the lace I felt fingers tugging at the belt of my pants. I glanced down and was surprised to see Noel had already undone my belt and was pulling down my zipper. Her top was already off and her bra hung from one shoulder as if she'd been in too much of a hurry to pull it all the way off. Damn, she looked sexy.

I couldn't help but stare at her gorgeous boobs right there in front of me. Bent down as she was, tugging at my trousers, her breasts had fallen forward until they were cradled between her arms. Light beads of sweat shone on her smooth skin and I could see a drop glisten on the tip of one pink nipple. This was getting to be too much for me to take in when I noticed Noel had freed my cock until I felt the warmth of her hand encircle the head. I gasped and looked at Bridgette staring hungrily at my freed member as Noel now began slowly stroking it up and down. My wife raised her head and kissed me, pushing her tongue urgently into my mouth. I shuddered from the dual pleasure of my wife's passionate kiss and the excitement of her best friend stroking my incredibly stiff cock.

"Did you think I didn't know what we were getting into when I suggested Noel come over?" She smiled again. "All Noel has been talking about for the last week is how badly she needs a hard cock. So I gave in and invited her over. You don't mind, do you?" Before I could answer, I felt Noel engulf me in her hot mouth. I grunted and closed my eyes. "And guess what?" Bridgette said, leaning close and whispering in my ear. "She likes it in the ass, Sean. She wants you to fuck her hard in the ass!" I

had attempted fucking my wife in the ass before, but the few times we had tried had been a little too painful to her for us to continue.

Now here she was encouraging me to do just that to her best friend! I slipped my right hand down Noel's back until I reached her ass. I squeezed her cheek and then slid my hand down beneath the band of her panties into her crack. I felt her wetness long before reaching the opening to her pussy. Since she was leaning forward in order to suck my cock, her ass was lifted slightly off the couch, giving me just enough room to slide one finger into her sopping wet slit. Her mouth moaned against my shaft when I entered her with one finger and began to slowly finger-fuck her. I shifted my hand slightly when my finger was slick enough from her juices until I could feel her puckered anus against my fingertips. I rubbed it hesitantly, then harder as I heard her moan even more around my cock. I felt one of her hands leave my shaft and I knew she was slipping it down between her legs to rub her pussy.

That turned me on so intensely that I had to clamp my teeth together to keep from filling her mouth with my hot sperm. I increased my pressure on her anus until I felt one of my fingers slip inside. I felt a tightness around my finger and I knew Noel was close to cumming. I slid another finger into her asshole as she cried out in rapture and collapsed into me. She shuddered as I removed first one finger and then the other from her. My cock was starting to spasm and I knew I was going to cum

soon. Bridgette must have realized the same thing. I knew I had to hold out as best I could. Then Noel stood up, got completely naked, and gripped my cock in her hand and grinned at me. "I want you to fuck me in my ass, Sean." Noel whispered and got up on her knees on the couch and raised her ass in the air. I could see the fine hairs glistening around her bunghole. In this position, her ass cheeks were naturally spread wide and the puffy lips of her pink pussy peeked out from between her thighs. I got behind her and traced her pussy with my tongue until I got to her slippery opening.

I ran my tongue up between her cheeks until I felt her brown star under the tip of my tongue. She groaned again and pushed her ass against my face. I fucked her asshole with my tongue, knowing in a few moments it would be my cock fucking her opening and shooting streams of cum into it. I stood up on my knees sensing she was ready. I rubbed my cock in the crack of her ass. Her cheeks hugged me and I had to breathe deeply to calm my racing heart. I wanted this to last. I positioned my cock at the entrance to her pussy and slowly slid my length into her wet opening. She was so incredibly hot! I looked down and saw Bridgette sitting a few feet in front of Noel, leaning back against the arm of the couch. She had her legs spread wide and was furiously rubbing her clit as she watched us. After a few more strokes, I slipped myself out of Noel's dripping snatch and positioned it at the opening of her ass. This was the moment I had been waiting for. Her ass seemed so tight that I didn't see how my cock could possibly fit inside. I pressed the head against her opening and slowly increased the pressure.

Hesitantly, almost unnoticeable at first, I felt my cock slide into her. The head of my cock slipped past the sphincter muscle and I was engulfed in a world of heat and tightness. It felt as though her ass was sucking me in and would never let go. I pushed my full length into her and she gasped with pleasure. I had never felt anything so powerful before. The three of us continued into this ecstasy for a few hours, enjoying each other's warmth and sexuality.

The fireplace had long cooled and the beer cans and wine bottles were empty. We settled into each other's arms on that sofa and cooed the night away. What I thought was a fantasy turned out to be fantastic.

A full-page photograph of a blonde woman with blue eyes, wearing a bright lime green, low-cut, backless dress. She is leaning against a light-colored wall, with her hands resting on her hips/thighs. To her left is a dark, ornate metal fence with green vines climbing it. The lighting is bright and even.

It's easy going through Victorville until you hit the 210 and have to cross the valley all the way west. But I like sitting in the back, blowing my boyfriend as the driver tries not to look. Once we got to the set, my mouth has been warmed up and my pussy's wet.
